Sunworld Class*

Spring Term 2017

English:

We will be diving into a world of imagination as we explore texts with enchanted settings and characters. Later on in the term we will become reporters as we share some exciting news.

Maths:

Investigations and problem solving activities will continue to be the main focus for refining our maths skills. Can your child tell the time?

Science:

What can you see?
What can you hear?

During this term we will be exploring light and sound. We will look at different light sources and how light travels. The class will go on a sound walk and consider how sound travels.

Enchantment!

Geography: Intrepid explorers will develop map skills as they discover Marlborough, the UK and the continents around the world on different maps.

RE: Discussions will focus on Islam and what commitment means to Muslims and ourselves.

Music: Singing voices at the ready! We will be learning how to use our voices creatively to express ourselves.

PE: The children will continue to develop ball skills and take part in different team games. Galaxy Class will also develop their swimming skills until the end of January.

ICT: This term is all about multi-media and we will learn how to import photos into documents.

Art:

We will be using different materials to create a collage of our very own dragons.

Questions to Explore

What do you know about the place that you live?

Where in the United Kingdom is Marlborough?

What are the main features of Marlborough?

HOMWORK

Homework is important as it consolidates your child's learning.

Appropriate, differentiated homework will be given out on a Friday and will be due in on the following Wednesday.

There is an expectation that all homework will be completed, if you are unsure about any aspect of the homework please talk to a member of staff.

READING

Hearing your child read is vitally important. Please continue to hear them read and discuss their books every day. Children who read for pleasure are more likely to achieve well at school so share bedtime stories and visit the local library.
