Dear Parents/Carers

We are now in our lovely new school but problems with parking are still very much in the forefront of our minds.

We have had problems with cars parking illegally on Ducks Meadow for some time and the problem has not gone away. However we are now having complaints from our neighbours on Cherry Orchard, Isbury Road and Van Diemens Close. These are all no through roads, which means that if you drop off children on any of these roads you will have to make a dangerous turn while children and families are walking along the road.

As you can imagine this situation is very detrimental to the good name of the school and more importantly is putting **your** children in danger.

The pavements and roads are crowded with children and parents in the morning and afternoon and some of these narrow roads do not even have a pavement. This really is an accident waiting to happen.

**Please, please, please** can you walk to school or park in the George Lane car park when you are bringing your children to school or picking them up. It is only a very short distance to walk from George Lane car park to the school – certainly no further than the walk from Isbury Road or Cherry Orchard.

For everyone's sake - PLEASE BE MORE CONSIDERATE!

Kind regards

*Anne Schwodler*
