Together we believe, learn and achieve

Marlborough St Mary's CE Primary School Home School Agreement

It is considered good practice for all schools to have a written home school agreement in place.

At Marlborough St Mary's we strive to give your child the very best start to their education. We cannot do this without the support of the children's parents or carers.

The home school agreement aims to help raise standards and contribute to school effectiveness by enhancing the partnership between the school and parents or carers. The agreement sets out the role of school, parents, carers and pupils in daily school life.

The home school agreement of Marlborough St Mary's Primary School is shown below. We ask all parents and children to sign the agreement.

Marlborough St Mary's home school agreement will be reviewed every three years or when it is deemed necessary.
