

English

Where in the world is Marlborough? Why is it special?
These are the questions the children will be thinking about in their English and topic lessons.

We will also be creating our own information leaflets to persuade somebody to join our school.

Maths

Terms 3 and 4 will focus on money and multiplication and division, as well as revisiting concepts from the previous terms.

All our lessons are supported by practical resources, to ensure the children have a good understanding of the concepts being taught.

Art/DT

Self portraits

Building a model church

Creating a stained-glass window

Baking for our class café

PE

Everyone will continue to swim on a Friday morning.
Through the winter terms we will be taking the minibus to get to the Leisure Centre.
Miss Scott will also be taking the children for a PE session on a Thursday morning.

RE

Places of worship - we will look at the features of a church and what happens there and compare it to the features of a mosque and what happens there.

TOPIC/Science

Term 3 - What is in Marlborough - houses, leisure, churches, businesses, cafés, shops. Compass directions/programming beebot, maps, data collection, visit to town.

Term 4 - The rainforest - what animals/plants live there/how are they adapted to live there?

General Information

Reading

Please continue to listen to your child read at least three times a week and note it down in their reading records. Their reading books will be changed when they have done this.

Maths Homework

The children can use either Times Table Rockstars or NumBots for their homework. They should aim to do this at least three times a week, with it being recorded in the reading records.

Outdoor clothing

Please could you ensure that your child has a spare pair of wellies/outdoor shoes in school during the next two terms. We have lots of walks and outdoor activities planned, and we do not want their school shoes to get wet and dirty.

Visits

We will be visiting the church, Marlborough town centre, a café and the park this half term. In term 4 we hope to visit the mosque in Swindon and the Indoor Rainforest near Newbury.

Oak Class

Spring Terms 3 and 4

Where in the
World?
