**SECTION 9 Disabled applicants only**

Whilst you do not have to declare a disability here, our school / academy is committed to promoting employment opportunities for people with disabilities, who can face additional challenges to gaining employment. As part of this commitment we offer an interview to any disabled person who declares a disability and meets the minimum criteria for the job. **It is important to note** that there may be rare occasions where it is not practicable or appropriate to interview all disabled people that meet the minimum criteria for the job. **For example**, in certain recruitment situations such as where there is a high number of applications, the school / academy may have to limit the overall numbers of interviews offered to both disabled people and non-disabled people. In these circumstances the school / academy may select the disabled candidates who **best** meet the minimum criteria for the job rather than **all** of those that meet the minimum criteria, as they would do for non-disabled applicants.

**Do you consider yourself to have a disability?** Yes                      No  
 (if you require further information on what is considered a disability please contact the school / academy)
